### **HAVE A HEART for homeless pets on Valentines Day**

**GLEN BURNIE, MD** Tired of sending roses and chocolates to your sweetheart for Valentines Day? Why not give a gift that will bring comfort to a homeless pet for years!

The Kuranda Dog Bed Company has teamed up with thousands of animal shelters and rescue organizations across the country to provide homeless dogs with a soft, dry place off the floor to sleep. The company is offering special discounts for these beds thru a Donation Program which sends the beds directly to the shelter. The donation can be made in your own name, or as a gift in the name of a pet lover or family member and a personalized gift acknowledgment card will be mailed directly to them.

Kuranda dog beds are the perfect beds to provide long lasting, orthopedic support for the dogs and ease of cleaning for the shelter staff. The design of the bed tucks the fabric into the specially molded channel making it virtually "chewproof", backed by a full 1 Year Warranty!

The beds are sturdy and long lasting so you will be providing a lasting gift for a dog today and another tomorrow. They can make a big difference for even one dog who for the most part spends 24 hours a day, 7 days a week on a cold, wet concrete floor. Please call Kuranda at 800-494-7122 or visit [www.kuranda.com](http://www.kuranda.com) to donate a bed to a shelter dog. To find your local shelter visit [www.petfinder.com](http://www.petfinder.com).

Kuranda USA is a small manufacturing company established in 1987 and based in Glen Burnie, Maryland.

Please remember the dogs in the shelter during this cold winter and all year long!
